Pelham Energy Committee (EC) Meeting Minutes

Tuesday, February 2, 2021
Virtual meeting (recording is available)
Meeting called to order: 7:56 pm

Present: John Larsen (JL) (co-chair), Tony Rogers (TR) (co-chair), Randall Spalding-Fecher (RSF)

Note-taker: Randall Spalding-Fecher

Minutes
- Still need to compile previous minutes – JL will do this before next meeting.

New Business
- RSF working on Town Report feedback on climate change

Pelham Community Center and Safety Complex VRF project
- GC Quarterly Report
- TR will do google doc to track our time contribution for MVP grant matching
- TR circulated Q4 GC report for review
- TR will circulate Jan and Feb MVP report for review
- TR contacted the General Contractor (Adams Plumbing and Heating) for an update; setting up a meeting at community center; waiting for confirmation that equipment has arrived; TR will follow up
- Need to start with inside work once equipment arrives since cannot do outside work with cold/snow
- TR talked to John Trickey about schedule

Community Choice Aggregation (CCA) Task Force/Joint Powers Entity (JPE)
- Follow up with Karen Ribeiro and Tom Thompson,
- JL to check with TT and Karen to ask about progress

Commonwealth of MA Decarbonization Roadmap
- Commonwealth of Massachusetts 2050 Decarbonization Roadmap discussion. Report can be found here: https://www.mass.gov/info-details/ma-decarbonization-roadmap#final-reports-full-links-
- Has analysis of pathways to state to be net zero by 2050 with max emissions of 85% below 1990 levels, remainder could be sequestration; also interim emissions levels for 2030 and 2040
- Plan is open to public comment – both technical issues and policy issues
- Communicating carbon pricing – WB report
- TR will circulate some comments on MA documents – JL and RSF will review and comment

Solomon Goldstein-Rose Book
- Move to future business

Old Business
- No old business

Next Meeting
- Tuesday, February 23, 7:30pm

Meeting adjourned at 9:07 pm
