

Your Land, Your Legacy:

An Introduction to Estate Planning and
Land Protection

**Since you care about your land,
come and learn how to protect it into the future!**

You are invited to attend this free landowner workshop that will provide some basic guidance, information and inspiration on options available to you to manage and care for your land today, and in the future.

This program will be led by Mark Wamsley of **Kestrel Land Trust**, Fletcher Clark of **Department of Conservation and Recreation Service Forester**, Lisa Hayden of **New England Forestry Foundation**, and **Attorney Elizabeth L. Wroblecka** of Etheredge and Steuer, P.C.

No previous knowledge about land conservation or estate planning is required!
