

Pelham Board of Health Meeting
January 8, 2019
7PM Rhodes Building

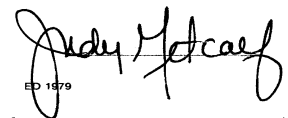

Present: Bill Pula, Richard Hall, Judy Metcalf

In Attendance: Meredith Jones, Blair Bigelow, Cory Shumway, David Keenan

1. Board acted on septic repair permit for Jones/ Bigelow at 8 Pine Tree Circle. A local upgrade approval was granted to allow a reduced size SAS from 400 sq. feet required to 350 sq. feet on motion by Rich and seconded by Bill. All in Favor. Permit # 735 issued. Fee of \$35 received by ch # 2052.
2. Cory Shumway and David Keenan were present to give an update on the transfer of the Mobile Home Park. The new rules for the park were submitted to the Attorney General's office on January 4, 2019. By regulation, the AG's office will submit any comments or concerns within 60 days. If 60 days pass without comment, rules are presumed to be acceptable. Cory believes he will have all matters in order by March and requested BoH hold public hearing at their meeting on March 12, 2019. Board agreed to hold meeting in Library as it will be more convenient for park residents. Daily Hampshire Gazette was chosen a newspaper to publish required notice. Judy explained to Cory she will write the notice, have it published, but the Gazette will seek payment directly from him.

By unanimous vote, meeting adjourned at 7:25 PM due to inclement weather.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Judy Metcalf". Below the signature, the text "ED 1879" is printed in small, black, sans-serif font.

Judy Metcalf, RS, CHO
Director of Public Health
Quabbin Health District
