Meeting minutes of 4/23/2018

Joint Meeting with the Select Board

APP NOU-1
LH/2018

Finance Committee Members present: B. Martell, F. Vanderbeck and J. Trickey

Called to order at 6:02

Select Board member Alisa Pearson read a prepared statement challenging the Finance Committee's April 5th meeting with an Open Meeting violation in discussing her presence and whether it would be a quorum of Select Board members. J. Trickey responded that no violation occurred because as Chair of the Finance Committee ruled that since the Finance Committee Meeting was properly posted that if any violation challengers occurred, Select Board Person would be responsible for handling them.

The Warrant Articles were read and the Finance Committee recommended, did not recommend and took no action based on the 4/5/2018 meeting votes for each Article.

Finance Committee voted to adjourn at 8:54pm
