CHECKLIST OF FILING REQUIREMENTS:

- This completed **application form**, submitted to the Planning Department. A copy will be submitted to the Town Clerk.
- Application fee:** \$50/two lots + \$25 each additional lot
- Original, reproducible Mylar **Survey Plan** and nine (9) paper prints of the Plan. Plans show:
 1. Lengths of all arcs, radii, internal angles, points of curvature and tangent bearings pertaining to roadway alignment.
 2. Exact locations and widths of all easements for right-of-ways provided for public services or utilities, and any limitations of such easements.
 3. All lot numbers and lines, with accurate dimensions in feet and hundredths, and with bearings or angles related to street and easement lines including all property pins, monuments and bounds.
 4. All buildings owned by subject landowner(s) within 100' of any newly created property lines.
 5. Frontage, area, width of all proposed or existing lots.
- Plans include a statement that the Planning Board's endorsement is not a determination that the lots shown are buildable lots.
- The plan must have survey-quality (accurate to a hundredth of an inch) control points no greater than 500ft apart on each sheet. The plan must note the coordinates (northing, easting and elevation) of the tie-in points, the datum, and the source and location of monuments used for data.
- Notification provided via email or delivered to Town Clerk, Assessor, and Planning Board indicating Book and Page number subsequent to filing the new plan. Date:.
