PURPOSE:

The Town of Pelham is seeking to replace the existing, original HVAC system in the Community Center/Library/Safety Complex building with a new high efficiency variable refrigerant flow (VRF) heat pump system. The town has secured more than \$300,000 in state grants to fund the project. An article is on the Fall Town Meeting warrant to dedicate \$45,000 from the Capital Stabilization Fund to fully fund the project. This hearing will include a presentation by the Energy Committee about the project and participants will be able to ask questions.

AGENDA:

Notetaker

- Minutes
- New Business
- Presentation on HVAC replacement project for Pelham Community Center and Safety Complex
- Question and Answers
- Old Business
- Next Meeting

*Note: The list of topics was comprehensive as of the date of posting, however the public body may consider or take action on unforeseen items not listed here to the extent allowed by law.
