

ATTRACT POLLINATORS TO YOUR GARDEN

# SEED PLANTING WORKSHOP

SUPPORT BUTTERFLIES AND BEES

---

**DATE: SUNDAY, MARCH 18TH**

**TIME: 1-3 PM**

PELHAM LIBRARY

2 SOUTH VALLEY RD, PELHAM MA

---

Growing your own plants from seed can yield a cornucopia of plants for minimal expense. Amy Pulley will teach the basics of growing native perennials from seed to provide forage for pollinators.

- Learn about special needs of perennials and techniques to encourage germination.
- Sow seeds of native species that will benefit pollinators.

Amy will supply seeds and a sterile compost mix for sowing seed. Some 6-pack containers will be provided, but if you have some of your own or some to share, please bring them along.
